NCSSS
Scholarship Application

THE CATHOLIC UNIVERSITY OF AMERICA

The National Catholic School of Social Service (NCSSS) has a portfolio of scholarships created by private donors. Students are not required to submit GRE scores to be considered for NCSSS scholarships. Priority for these scholarships goes to students showing academic merit, financial need, and interest in social justice and working with underserved populations. Priority deadline for scholarship consideration is **March 1** for fall semester. Applications for NCSSS scholarships will be considered after the priority deadlines as long as funding remains available.

Please complete and return the application with a current resume and one page essay discussing your merit for scholarship aid, financial need, and social work career goals to:
